MIXOLOGY

# The WHITELINE Mixes

**Mixology** adalah seperti buku besar tentang memasak, dan untuk shisha, adalah untuk mendapatkan kenikmatan shisha yang sempurna.

Setiap orang memiliki rasa favorit mereka sendiri yang tidak akan pernah ditolak jika ditawarkan kepada Anda dan selalu disimpan di lemari Anda. Namun, seiring waktu, kami ingin melihat apakah kami dapat membawa rasa ini ke level selanjutnya dengan menambahkan komponen baru, yang dapat membuat campuran Anda menjadi manis, pedas, atau sekadar mint.

Hal hebat tentang Mixology Shisha adalah Anda akan mendapatkan rasa yang sangat unik. Namun, untuk mendapatkannya, tentu Anda tidak bisa begitu saja terjun ke dunia baru ini tanpa pengetahuan luas tentang tembakau pilihan, dan profil rasa.

Berbicara tentang rasa, kami tahu bahwa Anda dapat menemukan rasa pokok yang enak seperti Anggur, Jeruk, Pisang, dan Mint, tetapi mengapa begitu banyak versi rasa ini di berbagai merek? Ini membawa kita kepada kenyataan, bahwa rasa

dari setiap merek berbeda, dan harus diperlakukan seperti itu dalam proses pencampurannya.

Saat Anda menemukan rasa pertama yang ingin Anda campurkan, perhatikan rasa ini secara mendalam. Jika kita ambil rasa Nanas misalnya, rasa ini menawarkan rasa yang manis, tetapi Anda mungkin menginginkan rasa asam di dalam asap shisha Anda, tambahkan Lemon ke dalamnya, selanjutnya Anda bisa menambahkan sedikit ice untuk menyejukkan hisapan shisha Anda.

Silahkan pilih dan pesan menu mixology dari kami, sesuai dengan selera Anda.
